## **DERMAFORCE INCLUDES DERMALUX LED PHOTOTHERAPY**

**SINGLE £150 | COURSE OF 3 £380**

The 3D Dermaforce is an advanced cutting-edge treatment combining Microneedling and Radio Frequency (RF) technology to effectively treat a large number of facial and body concerns, with amazing results. Radio frequency energy is delivered precisely through insulated needles to the dermis heating the collagen fibres. This stimulates the body's natural healing process resulting in an increase in collagen and elastin in these areas. Benefits include an improvement in lines and wrinkles, pitting of skin, overall skin texture, brightening and lightening, pigmentation, sagging skin, sun damaged skin and stretch marks.

## **DERMALUX LED PHOTOTHERAPY**

**SINGLE £35 | COURSE OF 10 £300**

Dermalux LED therapy is an advanced, non invasive treatment that utilizes the power of light to rejuvenate, regenerate and heal the skin. The treatment uses 3 different wavelengths of light including red, blue and near-infrared. This can be used as a stand alone treatment or added to other facials to enhance the results.

## **NON SURGICAL FACELIFT**

**SINGLE £55 | COURSE OF 4 £200**

A complete work out for the face that focuses on creating a lift in the contours of the face by firming and toning the key facial muscles, results include a reduction of fines lines and wrinkles.

## **LUXURY NON SURGICAL FACELIFT**

**SINGLE £70 | COURSE OF 4 £250**

A complete work out for the face that focuses on creating a lift in the contours of the face by firming and toning the key facial muscles, results include a reduction of fines lines and wrinkle. This facial includes a enzyme peel and Dermalux Light therapy.

## **NON SURGICAL EYE LIFT**

**SINGLE £35 | COURSE OF 4 £125**

The dermalift eye lift focuses on the eye and brows to lift and firm the key facial muscles. Includes micro collagen / vit c eye pads. Results include reduction of fine line around the eye and restores tone.

## **JOWL SCULPT**

**SINGLE £35 | COURSE OF 4 £125**

This treatment is specifically designed to target untuned muscle around the jawline, leaving the jaw lifted and firm, redefining the contours of the face the area.

## **RADIOFREQUENCY**

**FACE £60 | COURSE OF 6 £300**

**FACE & NECK £70 | COURSE OF 6 £360**

Radio frequency energy causes the water molecules in your tissue to twist and vibrate. This motion causes friction, which creates heat in the dermis. This heat subsequently generates a focused wound healing response that can take upto 4 months to complete, that realignes and regenerates collagen in your skin to replace aging, sagging skin with fresher, firmer skin.

## **CHEMICAL PEELS**

### **MESO PEELS SINGLE £65 | COURSE OF 3 £180**

Meso peels are the most advanced range of chemical peels, these peels purify and oxygenate the skin leaving it hydrated, free from impurities, brightens complexions and evens out skin tones. We stock a range of mesoesthetic peels specially formulated to treat a variety of skin complaints.

## **RETINOL PEEL**

### **SINGLE £120 | COURSE OF 3 £320**

This advanced, medical strength peel contains 3% retinol plus retinol boosting complex. Benefits include – improvement in the appearance of fine lines and wrinkles, helps reduce acne, pigmentation, loss of firmness and improves radiance and clarity.

## **M-PEN MICRO NEEDLING**

### **SINGLE £80 | COURSE OF 3 £210**

This is a collagen stimulating treatment that is great for general skin rejuvenation, acne scarring, skin texture and pore size. This procedure involves repeatedly puncturing the skin with sterile needles causing little micro injuries, this then triggers the skin to create collagen and elastin to repair itself.

## **DELUXE M PEN MICRO NEEDLING**

### **SINGLE £100 | COURSE OF 3 £250**

This treatment starts off with a derma plane to allow for better penetration of products, an enzyme peel is then applied followed by micro needling using mesoesthetic skin boosters, the treatment is finished off with Dermalux light therapy.

### **3 TREATMENTS ARE RECOMMENDED 2 WEEKS APART FOR OPTIMAL RESULTS**

#### **£100 PER SESSION**

This safe and effective cellular treatment that slows down, corrects and prevents the signs of ageing in the eye area. It improves skin quality, dark circles, fine lines and wrinkles. This 60 min treatment includes cleanse, bright superficial peel to eyes, face and neck, NCTF 135 HA around the eye area, eye recovery mask, Dermalux LED light therapy, recovery cream and SPF.

## **VASCULASE LASER TREATMENT**

### **15 MIN TREATMENT £75 | 30 MIN TREATMENT £125**

This treatment permanently removes broken capillaries. Vasculase works by applying a narrow 980nm beam of light to target the vein. The red blood cells on the thread vein absorb the energy, causing the blood within the vein to heat up, damaging the wall of the vein. This reaction causes the vein to close down were the body then absorbs causing it to disappear.

## FAT FREEZE | PER AREA £60

Cryo lipo known as fat freeze is a non invasive treatment used to reduce unwanted fat by using near sub zero temperatures to kill the fat cells.

## G5 | PER SESSION £35 | 6 FOR £180

The G5 massage works on breaking down fatty deposits and cellulite, draining away fluids, waste and toxins through the lymph system.

## LASER LIPO | PER SESSION £80 | 4 FOR £260

The laser lipo utilizes the latest low level / cold laser technology to reduce girth and fat over almost all areas of the body without surgery, downtime and redness. A typical 40 min waistline treatment can reduce an individual by 1/2 to 3/4 of an inch.

## CAVITATION | PER SESSION £89 | 4 FOR £280

Ultrasound cavitation converts fat cells into liquid which can then be naturally drained by the body's own lymphatic system. Cavitation is an excellent treatment for customers that want to reshape the body to achieve cellulite reduction and fat loss for areas with localised fat such as the thighs, abdomen, flanks and buttocks.
